CASSIE

"If folks wanked a lot more, the world would be a happier place," suggests chunky-chebbed Cassie (30) as she lazily runs a finger around her engorged clitoris. "I'm happy and I'm always wanking. Not just myself either – I love staring into a man's face as I jerk him off violently, my boobs jiggling, my wrist a blur. They're always pretty happy too, when they've filled up my cleavage with sticky cum!"

Dirty Dancing

CHERYL, STAMFORD

You should meet my girlfriend Cher – she's a horny bitch! She likes to bet with me how many men she can pick up in a night. She usually wins!

When she goes out she dresses really provocatively. She wears stockings and suspenders, a short skirt and a crop-top, with her big boobs spilling out it.

£60

No bra or knickers for her! She can just bend over or raise a leg to take some cock.

One Friday night there was a group of lads at the club. Cher put on a dirty dancing show for them.

Everyone could see everything on offer.

Then one of the lads joined her, rubbing her pussy in front of his mates. Then she smiled at me and took all three of them home.

I have a video camera over the bed, so I always get to see what she does. She started by sucking them off one after another.

Then she found the biggest cock and spiked herself on it. The other two lads were left to fight over her mouth and arse while she rode the big one in her pussy.

She got every hole filled, and ended up taking spunk up her cunt, up her arse and down her throat. She rubbed the creamy refuse over her tits, her pussy and her face.

Now, are you sure you don't want to meet her?

Richard, Stamford.

Sleepy head

Things got mega-dirty when my mate Lexi stayed over.

We've both been with our boyfriends for a while, and I was whinging to her about how mine wasn't that bothered with sex at the moment. Either he was busy working, or doing bloke stuff, or too knackered.

Lexi said when she realised that she and hers hadn't had a fuck for a month, she took charge.

He woke up at 3am to find her straddling his thighs and playing with his cock. She was wet and working her juices all over his shaft, and told him she was going to fuck him, whether he was awake or went back to sleep.

She's not shy of going into the filthiest detail, and I started to feel my own cunt swell up and moisten. At first, I was thinking about sex I'd experienced myself,

I TOLD HER TO SIT ON MY FACE SO I COULD EAT HER CUNT OUT TOO

was sucking on my nipples, sending sensations between them and my crotch, then she moved down so she could give my clit a bit of stimulation too. At first she fingered it, then pulled it so tight that her tongue was virtually twanging it as she started licking.

She got me all excited, but when she asked me what she wanted me to do next, I told her to sit on my face so I could eat her cunt out too.

She cocked her leg over, spreading her thighs until her snatch was right over my mouth, and I splayed her wide open, reaming my tongue along her slit and into her hole.

I just licked and fingered her as hard as I could, determined to keep on going until I got her cumming. It wasn't exactly difficult anyway – she'd always told me she was naturally horny. I like to stroke my body all over and have a good play with my tits, so it felt sort of familiar but different!

But she went for my twat first, cupping my mound then, when I opened my legs a bit, bunching up three fingers and fucking them in and out. She turned on, though. Lexi must have thought I'd nodded off too because, next thing, I heard her frigging herself a bit more openly than I was.

I don't know who kissed who first, but we were soon tearing into each other.

Feeling up her body was so but then I started to picture Lexi, tits bouncing and slapping all over the place and cunt spread open wide as she rode her bloke's knob.

I was too worked up to sleep and so, when we knocked back the last of our wine and put the lights out, I rolled over so my back was to Lexi's. Then I stuck my hand in between my legs, grinding slow and easy so I wouldn't wake her.

It wasn't just me who was orgasmic, and I could tell she wasn't lying or faking!

We sucked and finger-fucked each other to a whole load of orgasms, hardly sleeping until it was really light outside.

Then we had a shower together before going out to our local pub. Lexi was wearing a little miniskirt, but I resisted the temptation to stick my hand up it. We haven't told the lads either – I'm hoping it carries on, whether or not it stays our dirty little secret!

REAL STORIES FROM THE SECRET WORLD OF UK SEX!

What's the best thing about being a porn star? All the filthy fucking of course, as Brit hottie, Samantha Bentley reveals...

Interview by Rose Crompton

There are many reasons why I enjoy being a porn star – the travelling, meeting amazing people – but the most obvious is that I love having sex.

I've always been an exhibitionist and I liked the idea that I could be famous for fucking. Starting out four years ago, I was only doing solo stuff. From there I moved on to girl-girl and in the last year I decided to do hardcore shoots with guys.

What changed my mind was seeing a girl-guy scene being shot. I was on set for the Harmony film, *Brooklyn Lee: Nymphomaniac* and met performer Ian Tate. I watched him do a DP scene and I remember thinking, yeah I want do boy-girl and I want to do it with *him*.

A few months later and it was all set up. My first hardcore scene was about to happen with Ian Tate. The thought of having sex on camera was exciting, but I was so nervous too. Ian arrived while I was having my make-up done. He came downstairs and when I saw him I remembered how badly I wanted him.

By the time we got to shooting there was all this tension that had built up. It was on one of the Harmony porn film vacations in Scotland, so I had about 30 people watching my first boy-girl scene. Originally, it was meant to be straight sex, but what made it even more exciting was that it ended up being anal!

While we were doing it, I turned round to Ian and shouted, "Fuck me in the arse!" It was so impulsive! It's easy to get caught up in it all, especially if you're attracted to that person and desperate to fuck them, but you have to take the camera and everything else into consideration, which takes it out of the ordinary. I made sure my first hardcore scene was how I wanted it to be – I knew I wanted it to be for Harmony, I knew I wanted Gazzman to direct and I knew that I wanted it with Ian. That made me feel good about it and made me want to do more.

Now I've got about 100 films to my name – I work hard! – and I've become much more experienced, although I do still get caught up in the moment and have to be reminded to 'open up to the camera'. I like to have passion and lust with whoever I work with. Even if I don't particularly fancy someone I can find something attractive or hot about them that makes me want to fuck them. I always want to put in a good performance and for it to look passionate and be intense.

"He threw me to the floor and savagely fucked my arse. I fell in love with him there and then"

When it comes to getting ready for a scene, helping to warm someone else up gets me turned on too. With girls – and I say this with love – a lot aren't actually into girls. Whenever I go to set and I'm doing girl-girl, I always make an effort to give the girl a kiss and say hi. A lot don't do that, which I find very strange considering you're about to have sex. I genuinely like girls – I could eat pussy for days!

With guys, I'll let them have a little grope before and I like to be generous with guys. I don't believe that as soon as the cameras are off that we should stop touching. I'll help them out by giving a blow job or letting them fuck me a bit longer. For a guy it's really hard. You have to keep wood with all of this stuff going on and between position changes. If they see that you're into it more, then that helps them and I'm happy to do that.

Easily, my favourite male performer that I've worked with is Rocco Siffredi. *Everyone* knows who Rocco is and I don't care how cheesy it sounds, but I totally fell in love with him.

Before the scene I asked Rocco if there were any dildos I could use to warm my arse up with. Rocco said, "Yeah, yeah, come with me," so he led me into a room and closed the door. I'm looking for dildos and then he suddenly grabbed me, threw me on the floor and savagely fucked my arse. He was like, "Now you're warmed up." I fell in love with him then and there. Rocco wanted to film with me and booked me again for the next day so that he could fuck me. When we did our scene I've never had such a connection with anyone like that. It was so passionate and rough as fuck – just how I like it.

My next big career ambition is to start directing. Eventually I'll have to retire from performing and I want to stay in the industry because I love it. As a director I think I'd do a lot more kinky stuff, but with a glamorous edge.

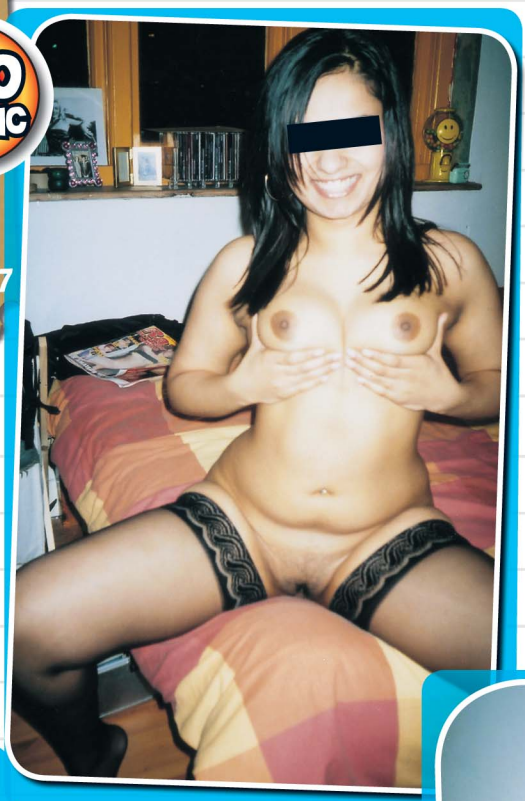
Suited Booty

Our firm doesn't have a Christmas party – they reckon venue hire and so on is a rip-off around that time of year. Instead they have a big staff party in the autumn. Black tie isn't compulsory, but most of us like the excuse to dress up a bit.



SOPHIE, LONDON

£120

For me, the biggest shock was seeing Chris and Will, these two lads from the maintenance department. Normally they're slouching round in jeans and uniform polo shirts, so seeing them in dinner suits was something else.

Their hair was a bit scruffy and neither of them had bothered to shave, but their suits were so immaculate they had this sort of rock-star look. They noticed me too. I was wearing a long skirt over a corset top which pulled my waist in and shoved my tits and hips up and out.

I was wearing it really tight, which meant I didn't eat that much. I didn't overdo the drinks, but later on I started feeling woozy. I went outside and saw Chris and Will having a fag. They asked if I was okay. "Fine," I said – a bit of fresh air was all I needed. We chatted a bit and I drank some of their beer, the pair of them leching over my outfit, while I told them they didn't look bad themselves.

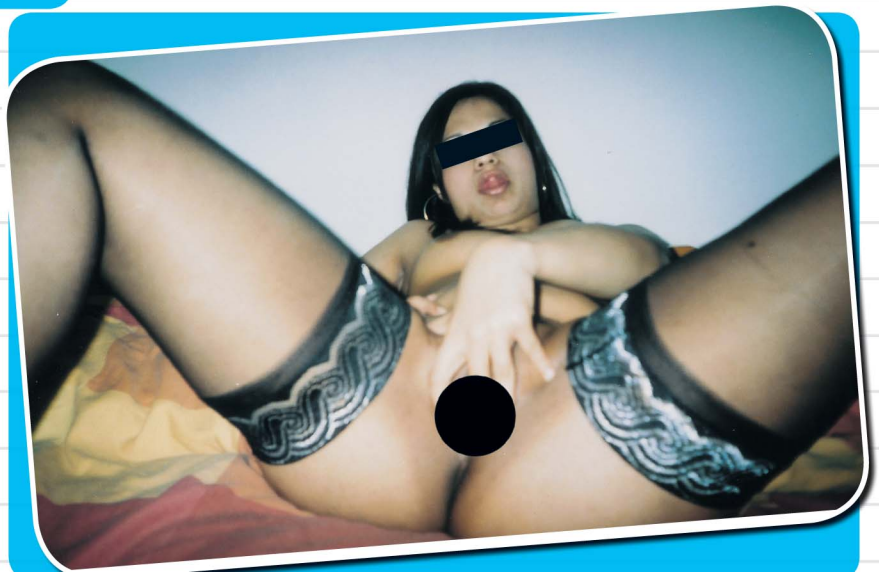
Chris took his chance, steaming in for a snog. Will told him to calm down, not to take advantage. Maybe he was a bit hacked off he hadn't got in there first! I told them not to worry – I wasn't that drunk. I kissed Chris again, but shot an arm out and grabbed Will's jacket, making sure he wasn't going anywhere either.

The party venue was this big old building, and finding a disused stairwell wasn't hard. Now, as I was snogging Chris, Will stood behind me, dipping his hands inside my strapless top to cup my boobs. As he

NEXT, HE OFFERED ME HIS JUICE-COATED LENGTH

ground up against my arse, his flies got caught in my skirt – which had cost a fucking fortune. I told him to be careful, and he just told me to take it off. That seemed like as good an idea as anything!

The guys were staring at me as I folded it up – all I had on now was my corset, leather zip-up boots and a little black G-string. I saw Will do this sort of hourglass shape with his hands, really appreciating what he was seeing – which gave me a horny buzz.



We just carried on as before, except now Chris was fondling my tits. Will had my naked arse cheeks to play with. He kept snapping my G-string against my crack, then his fingers strayed inside it, skimming close to my bumhole before finding my pussy.

By now I was nicely juiced up and I felt excitement crackle through me as I heard him unzip. Then his moist-tipped cock moved up and down my wet crack.

To fuck me, he had to bend me forward – and in a corset, that meant my face was level with Chris's crotch. Chris unzipped too, and soon I was sucking on his cock, tasting his pre-cum as I teased him with my tongue. The corset also meant my breath was coming in short gasps, which just heightened the turn-on for us all.

I was more sensitive to everything I was feeling – like Chris's fingers tweaking and rolling my nipples, and Will's hairy ball-sack brushing up against my shaved pussy lips. They were taking it slow, fucking me until an orgasm finally shuddered through my body.

Once I'd clearly cum Will just grabbed my hips, holding himself deep inside me without thrusting. I thought he was going to cum – instead he let me carry on sucking Chris. I massaged his balls, and soon he was spurting down my throat. Now I realised what Will was hanging on for. Immediately I let Chris slip out of my mouth he pulled out of my pussy and walked around to offer me his juice-coated length.

As I sucked on it, Chris moved round the back of me to lick me to another orgasm. And as I started cumming, I sucked Will right off too, swallowing his spunk as eagerly as I had his mate's creamy cum.

I've never topped that double-fuck! I'm still good mates with the two boys but they don't really do it for me without the suits! Let's wait and see what happens at the next staff party…

Sophie, London.

CANDY

We'd always avoided wallowing in other people's fart bubbles, semen and dead skin cells in a hot tub, that triumph of American waste, sloth and tackiness, but, hey, we'll make an exception if it's Candy Sexton's pubes that are going to get caught between our teeth. We're frothing at the mouth over foamy, fuckable Natasha, who likes to wallow in her bath until she goes pruney. "I close my eyes, relax and fantasise," confesses the dirty dreamer. "I can spend hours living sexy, slutty scenarios over and over again. My favourite at the moment is to be joined in the bath by a couple. They lather my breasts and bush and I passionately snog the woman as her man penetrates my soapy hole..."

Lascivious Lilly offers up her body to the camera the same way she presents her privates to her husband's mates – willingly, with a great deal of charm and in high spirits. "If I fancy any of my husband's pals, he invites them round to dinner. They don't usually guess that I'm going to be the main course. And pudding too, if they like me!"

"And I've never met a nice South African!" as oldies will remember *Spitting Image* puppets singing in 1986. Well, we concurred, at least until we met Nelson Mandela on his release, when he thanked *Escort* for "keeping the flame alive." Wasn't that your missus did, with all those tyres strapped round poor fella's necks in the townships? – we wanted to ask. KACIE
COUP DE TWAT!

Cutie Kacie's back for another tour of booty in Escort magazine. The girl who makes our privates stand to attention launched a tits and bum offensive in honour of our brave boys in the services around the world. "If I could show you all my appreciation in person I would," she sighs, spreading her legs for readers' target practice. "But I hope these nudie pics of me will keep your cocks stiff instead!" Not half – now we're the ones who're fatigued!

SEX WITH ALL THE STRINGS

Daisy Blade suffers a rude awakening, every morning. It's cock without the doodle-doo

This month has been a tiring one. Mr Boyfriend has been working night shifts. I'm not tired because his working/sleeping patterns are weird, but because when he works night shifts he turns into The Horn Monster.

Like some weird Jekyll and Hyde transformation, when working nights Mr Boyfriend goes from compassionate, takes-his-time, gentle lover to complete sex pest with an insatiable libido. Despite rolling in early morning after a 12 hour shift, once he's had a quick shower and before I've even had a morning coffee, there's a leer in his eye and something firm prodding me between my legs as I blearily come to my senses. Oh, he's home.

The problem begins on his journey back from the office. He's explained to me that after three or four consecutive 12-hour night shifts everything starts to get a bit surreal. It doesn't help that he has to commute home during the London morning rush hour. Sitting on the bus, he gets this internal monologue, a bit like that character JD from TV show, *Scrubs*.

Now, I'm aware I'm about to make Mr Boyfriend sound a bit crazy, but given the circumstances I think we can be slightly forgiving and not jump to the phone book to call the nearest mental health hospital to get him sectioned.

From what he tells me he basically turns into a total lecherous man. His internal monologue voice is that of a grizzly, older Cockney man. If he had an appearance he'd have stubble, a squinty eye, a bit of a limp and would rub his thighs frantically in the way Vic Reeves would to Ulrika Johnson on *Shooting Stars*. He'd go after the girls, arms open, shouting: "Awright darlin'. Cam an' gis a nice hug; ya sexy little minx... grrr." Total sex pest.

At that time in the morning there are lots of pretty women on the bus for his internal monologue to lech over. They're all on their way to work in the City, smartly dressed, with high heels and stockings with perfectly applied make-up. It's no wonder he rocks up at home with a fecking stonk-on, because for the last 12 hours he's been sitting in front of a computer screen looking at boring old data. It's pent-up horny overload once he leaves!

Obviously, I love my boyfriend and I love sex, so I'm not going to deny him. With all the subtlety and romance of a porno storyline – "I've come to check your pipes. Oops, I slipped and fell into your pussy," – he carefully climbs into bed and wakes me up by rolling me over. For a moment he pretends to be interested in nuzzling my neck the way I like. The fact that his cock has already found its target and couldn't wait another 20 seconds so I might have some sort of chance to get aroused, is the give away that he's only after one thing.

The sex is frantic, sometimes a bit rough – just the way I like it – and always leaves us both panting and knackered by the end of it. Well, coming hard before your cornflakes generally takes it out of you. Doing it four mornings out of seven, every week (I did say he was insatiable), leaves me feeling very satisfied in the orgasm department, but I've worked out that I lose about 20 hours of sleep per month. No wonder I'm tired too!

Well up for it

The kicker in all of this is that afterwards the Horn Monster, that was so intent on fucking me a moment ago, recedes. It's replaced by a sleeping and very satisfied looking puppy. He's out for the count, catching up on a good eight hours. I, on the other hand, have only just started my day and must drag my arse out of bed. Methods to tame the Horn Monster in time for next month would be very welcome.

SARA, E. SUSSEX

My girlfriend Sara knows her way around a pussy – as you'd expect because, as well as being a dyke, she's a practice nurse for a GP!

One time I called for her at the surgery, on the way out to see our friends. And when I saw the examination table in her office, I said we could try a bit of roleplay!

She looked shocked – obviously she's got to be professional at work. But I wasn't letting go of the idea! One night a few weeks later, I called by after hours when I knew she'd be there catching up on paperwork.

I said I had an ache in my pussy and could she take a look? She gave me a massive talking to, saying she'd probably get sacked if we got caught. I totally ignored this and said, "I'll just take off my knickers, shall I?"

She sighed, then snapped a latex glove on, squirting a load of lube over it. She sort of went into work mode, on autopilot, like she was seriously looking for something wrong. Then she winked at me and started fingering my hole. She fucked it hard, her other gloved hand playing over my clit, the rubber adding to the friction. Then she dipped two fingers in the lube and started probing my arsehole too.

I took over playing with my clit – my free hand over my mouth so I didn't scream too loud, and it was like my moans went through my body instead, making me shudder all over as I came.

Now she got right into it, telling me I'd have to bend over the table so she could check me from another angle. She wheeled her chair over to me and sat behind me, spreading my legs a little, then splaying my cheeks so she could tongue my cunt again and get me wetter.

She said my pussy was shrinking and tightening through lack of use – yeah, right! – and she'd need to perform an emergency procedure. Then she rummaged in a drawer and took a vibrator out of there. I still don't know why she kept one there, I was just glad that she did.

She started fucking my cunt, fingers still playing on my clit. Then she switched over, jamming three of them in my hole as she turned the vibrator on. Somehow she managed to squeeze my most sensitive spots in between the tip of the toy and her finger, so I was almost sobbing with pleasure.

"You're still orgasming fine," she said in her medic's voice, as I started cumming.

I returned the favour with my tongue. She pumped her hips against my mouth and I tickled her G-spot with a finger, which I knew would finish her off.

Almost instantly she started cumming, and I felt a forceful spurt of juices over my thrusting tongue.

After a night of rampant fucking in our bed, she decided to call in sick!

Melanie, East Sussex.

LICKETY SLIT!

SAPPHY +ELICIA

There are two things that girls like to do when there are no blokes in the room. Talk about how rubbish men are and, leading on naturally from the preceding topic, start lezzing off with a can of spray cream. There are no exceptions to this rule, readers, so pay careful attention when leaving your girlfriend and her mates to watch The Valleys while you go on the piss – either hide your cans of Anchor Extra Thick or hide yourself in the wardrobe for the show of your life. We did the latter...

Mound Force

When I divorced my limp-dick hubby, I decided to sell the house.

I didn't have the money to get the garden made over, but a bloke called Davey, from a local allotment, agreed to do it in exchange for the gardening tools my ex had left behind.

He was sort of rugged and grubby – just manly, really! And it didn't help that he always showered at mine before driving home – the thought of him stripped down and scrubbing off the muck and grime got my pussy seeping! Soon I was dressing to impress – nothing tarty, just pretty little dresses that showed off my figure.

On the last day, he called for a towel and, when I went to pass it round the door, he said why didn't I come in and scrub his back?

I walked in – he had a nice, stocky body, and a very nice semi-on! So I just kicked off my shoes and took off my clothes, then got in the shower with him.

I soaped his back, giving his bum a playful pinch. Then he turned around and grabbed me in a clinch.

My tits had been rubbing up against him and, now he was having a good old stare at them, he said they were the perkiest he'd ever seen. And I saw the semi he'd had was now at full mast.

The shower was pretty small without much room to manoeuvre, so he spun me to face the wall and slipped in my snatch from behind.

He nibbled on my neck as he fucked up inside me deep, as I fingered my own clit and gave him a squeeze. But the shower was a bit slippery, so we gave up on that idea!

He sat down on the loo and I went to get on his lap, but first he had me stand there with my bum about a foot from his face, so he could have a look and a play. Then he asked did I have any lube.

I felt butterflies in my stomach as I handed him some from a drawer, then

HE NIBBLED ON MY NECK AS WE FUCKED

Tidy Bird

My girlfriend Chrissy's one who gets really wound up if things aren't neat and tidy.

The state of my car was doing her head in so I told her she could do it herself, if she got nice and wet herself while doing it.

I dressed her in a short summer dress for her job. As the spray splashed off the bodywork, her dress got damp. I'd already realised she wasn't wearing a bra, but her brownish nipples gradually "melted" into view, as the fabric got wetter.

Now she started soaping it down. She wasn't squeezing foam and froth all over herself, but she wasn't avoiding getting covered in it either. As she stretched out to sponge the bonnet, her skirt rode up exposing a flash of the little white knickers she was wearing. Forget your lacy lingerie, I've actually got a bit of a thing for plain cotton panties.

In the end, though, she was totally soaking and she really got into it. Now she did turn the hose on herself, wetting her dress so it was clinging to her nipples with her knickers showing through. Then even they went transparent, so I could see the shadow of her thin bush.

I stood up and started snogging her, shivering as the cool water soaked through my clothes. She sprayed me for a laugh, then undid my flies, pulling my cock right out and dropping my pants.

MY COCK STAYED IN HER BUM TILL I HOSED IT FULL OF SPUNK

felt him work it over my arsehole. Then he fingered me, first one, then two, then three, warming me up and opening me wider.

I was soon ready for a fucking but let him say when. At last, he had me sit back, lowering myself slowly onto his prong, savouring the feel of it slowly inching into my arsehole.

At last, when it was in down to his balls, we ground slowly against each other.

I started to finger my clit again and almost instantly I felt a big cum building up, and Davey grabbed me round the tits and waist, steadying me as I moaned and trembled my way to orgasm, my unstuffed pussy dripping hot juices all over his swollen balls.

I got my asking price for the house, and now I'm in a cosy little flat. I'm not on the lookout for a new partner just yet, but I don't want for cock. Davey's usually up for a bit of fun, screwing me in whatever hole takes our fancy…

Gemma, Birmingham.

I bent her over the bonnet of the car, pulling her panties down and flipping up her skirt. She groaned as I fucked her twat, spread-eagling her so I could pound in even deeper.

For such a neat girl, she knows how to play dirty – and she said she'd let me have her up the arse, as long as she got to watch me clean out the interior of the car. Talk about fucking blackmail, but I wasn't going to refuse.

After getting her wet and slippery with her own pussy juices, I thrust my cock slowly up her bum. She was groaning, knuckles white where she was clinging on to the car, but she was going to take me however I wanted to screw her.

I went easy on her at first, but when she seemed to handle gentle grinding, I started fucking her a bit harder and deeper. She seemed to like it when I pinched her hard nipples every time I pushed in.

As we screwed, I gave her bodywork a clean too, rubbing the soapy sponge over it, then spraying her with the hose. It got her thrashing round, but my cock stayed deep in her bum until I was hosing that full of spunk!

I kept my side of things, even vacuuming inside the sodding car.

Matt, Pembrokeshire.

Black magic

I recently had sex with two fit young black guys – these pics of my battered cunt were taken by my husband after they'd left.

I didn't want him watching though, so I took Ben and Jacob up to the hotel room on my own. Jacob relaxed in a chair as I sucked Ben's massive cock. Then he lifted me up, dropped me on the bed and ripped my thong off. He immediately went down on me with his lizard-like tongue, Jacob joined me on the bed. He lifted my buttocks up so I was on my knees doggy style. He rammed his large cock straight in my well used cunt with no warning. I gasped as he shoved it up to the hilt and gripped my hips fiercely as he kept pumping in and out.

By this time I was due another orgasm and came very quickly at the same time as Jacob rammed his thumb into my bum, my juices swilling Ben's cum over Jacob's cock. Jacob wasted no time then in ramming into me a few more times before shooting his hot spunk deep inside me.

He collapsed on top of me from behind, his softened cock still feeling big inside me. I rolled over onto my back, my pussy sore and wet. Ben and Jacob kissed me tenderly and left.

I texted my husband who came up immediately. He gets very turned on by the thought of me having sex with other men and when he felt all that spunk on his dick that wasn't his and how loose my sex was from the two big guys he only took a couple of strokes before filling me with his spunk too.

Three different men's spunk inside you is quite a feeling!

Jane, Staffs.

HIS OILED-UP BALLS SLIPPED AND SLID OVER MY PUSSY LIPS

lapping at my gushing gash.

Meanwhile Jacob stuffed his cock into my mouth. Ben now kissed me on the lips and pushed his big stiff cock right inside me. I gasped at the length as it hit the spot first time! Not only was it the longest I had ever had it was the widest too.

I wrapped my boot-clad legs around his body and pulled him in further. He was pumping away, like a big piston moving in and out. I gasped yes when he asked if he could fill me with his seed.
